

PLATFORM, STAIRWAYS AND LADDER DESIGN

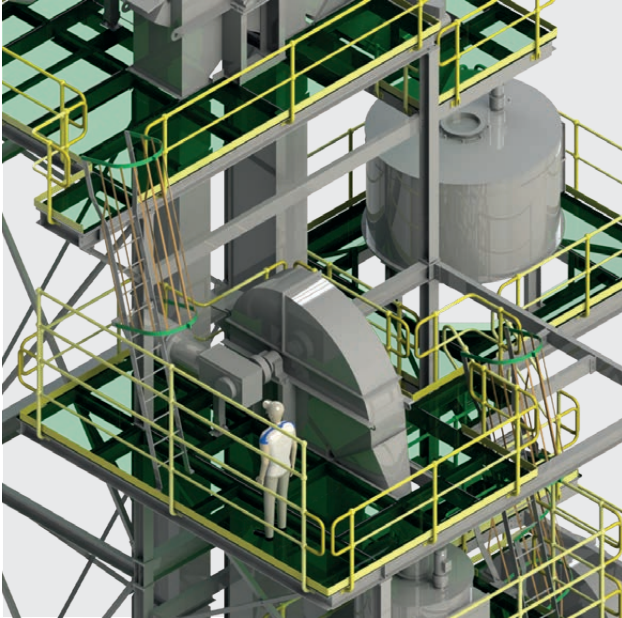

- > Custom designed platforms, stairways and ladders to suit many different applications.
- > Designs are cost effective and designed for ease of manufacture and assembly.
- > Designs can be made in collaboration with your design team or a fully certified, stand alone design can be provided.
- > Modular designs can be created to be easily integrated into existing or new designs.

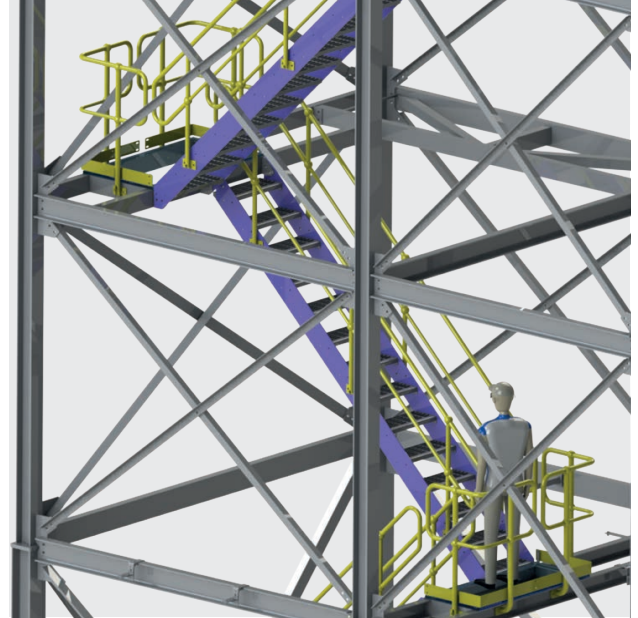

STAIRWAY FROM GROUND
LEVEL TO PLATFORM

STAIRWAYS AND LADDERS CONNECTING PLATFORMS ON DIFFERENT LEVELS

CAGED LADDER BETWEEN PLATFORMS

FLIGHTS OF STAIRS TO GAIN ACCESS TO TOP OF STRUCTURE

CAGED LADDER FROM PLATFORM TO TOP OF TANK
